

The Wisconsin Chapter of the
Congress for the New Urbanism Invites you to:

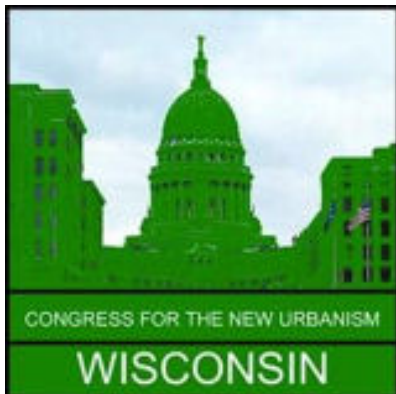

New Urbanism in Old Neighborhoods: Revitalizing Urban Living

Speaker: Dave Cieslewicz,
Former Madison Mayor and Current Community Director,
Greenbush-Vilas Revitalization Project

The challenges facing many of Madison's older neighborhoods are the same as the challenges facing many older neighborhoods in communities around Wisconsin and the nation: an aging housing stock in need of reinvestment, conversion of single-family homes into rental housing, the flight of families to newer suburban neighborhoods, and a lack of affordable housing for workers employed in surrounding areas. Entities with a stake in the future of Madison's near west side, including Meriter Hospital, UW-Madison, St. Mary's Hospital, and Madison Gas & Electric, have banded together to form a nonprofit community development corporation that will explore ways to breathe new life into some of Madison's oldest neighborhoods. Former Madison Mayor Dave Cieslewicz is leading the effort. Come hear more about this exciting initiative.

Monday, March 12, 2012, 7:00 p.m.
Pyle Center, Room 121
702 Langdon Street, Madison

Presented by:

In association with:

The Wisconsin Chapter of
the American Planning
Association
