Join CNU-WI and hosts Findorff and Urban Land Interests for a tour of the Findorff Yards area in Downtown Madison. Over the past 15 years this area has transitioned from an underutilized section of Downtown, where vacant land and warehouses were prevalent, to a vibrant neighborhood that mixes employment with residences and new construction with historic restoration.

- Hear from leaders at Findorff and Urban Land Interests about the history of Findorff Yards and how this revitalization came about.
- Tour projects to see the transformation of the area first hand.
- After the tour, adjourn to the nearby Echo Tap for discussion and beverages.

The tour is free, but space is limited—please sign up at [Eventbrite](#).
